Gold Bar Building Committee Update

Accomplishments in 2009:

- Community donations program launched
- February Fund-raising Kick-Off & May Spring Fling/Silent Auction
- Monthly committee meetings and City of Edmonton consultations
- Financial partnership with North SEERA Hockey Association established
- Request for Proposal (RFP) prepared and distributed
- Successful bidder chosen - Sherri Shorten Architect Ltd.
- Summer meetings with architect, consulting engineers, etc
- Green design strategies workshop in early September
- Identifying grants and corporate funders

In the coming months the building committee will be working closely with our architect and key consultants. We will also focus on fund-raising. Community members are always welcome to get involved; if you have experience, contacts, or simply enthusiasm, you are qualified to join our team!

Donations from the community are still being accepted. Download a printable version of the donor form from our community web-site or call any committee member to arrange for a brochure to be dropped off. Details about the donation program are on the form and - don't forget - you can claim charitable donations under you, your spouse, or your common law partner. Contributions of \$200 or less result in a 15% federal tax rebate; donations after \$200 result in a 29% rebate. Thank you to all who have already donated!
